

BRUNO VALLUZZI

UX / UI Designer

ABOUT ME

Born in 1996.

I approach the creation of system based on Human Centered Design and I believe in a utopian world where technology will not be an obstacle, but the strongest of allies.

I am passionate about psychology and cognitive

EXPERIENCE

PwC

User Experience designer | Trainee | 2020 to now | Milano (MI).

THRON

UX / UI Designer | Trainee | 2019 - 2020 | Piazzola sul Brenta (PD).
My job was to redesign the mobile version of THRON webapp.
Then I did research to improve the usability of the software.

FBK - Fondation Bruno Kessler

UX Designer | Trainee | 2018 - 2019 | Trento (TN).
Research and redesign of Piedibus Smart service in Vela (TN), exploring new possibility of interaction

University Linguistic Center (CLA)

Administrative operator | 2018 - 2019 | Trento (TN)
Usability test | Wikisource | Excel

UX Challenge

Solver | October 2018 | Trento (TN)
Two days workshop during which we analyzed, tested and designed, as a team, the user experience of digital service and product with UX experts.
